

Dear Sir or Madam,

TymeMachine invites you to become a sponsor of our very first CODEFEST - **Tales of St Louis** which will be held on 30th March 2019.

CODEFEST 2019 is an excellent opportunity for students across St Louis area where they can showcase their logical, analytical and programming skills. The Theme of the Code fest is to “Create a Project about your Community” for young people (between 8 - 17) to tell us about their community through Code.

This event in itself is a platform where kids can exhibit their hard work, professionals can show how code is used to make our communities better. It will help participants to connect with our Communities Leaders, to the Professionals in the Technology domain and generate interest and excitement about Science, Technology, Engineering, Arts and Mathematics.

Your sponsorship will be a mighty contribution in developing and encouraging the future technology workforce by inspiring students to pursue technology education and help them develop critical skill set for becoming future innovators of our community.

Enclosed you will find details the information on the event sponsorship levels. We would also encourage you to visit our website to learn more about other ways you and your organization can support the CODEFEST 2019. Please feel free to contact us with any further questions. We look forward to working with you to make the CODEFEST 2019 a success!
